

Linssen Grand Sturdy 410 AC Mark II

The Linssen Grand Sturdy 410 AC MkII is one of our Mark II series yachts in our Linssen Grand Sturdy fleet. This yacht has been modified by Linssen to meet the demands of the Mediterranean markets. It offers you a very comfortable exterior with a round-settee and a fixed table on the aft deck as well as a very practical and comfortable central placed outside steering position.

The aft deck can be completely closed and it can also be heated, for use in early spring or late autumn. In this case the aft deck can be regarded out your "outside saloon". The interior of this yacht is blended with cosy American cherry wood, leather upholstery and Corian to complete a harmonious picture and make you feel at home right from the start.

This yacht has a dinette across the pantry, which can be easily converted into a double bed, to accommodate 2 more crew members.

Equipment:

- Outside steering position with GPS navigation, Echo, Sumlog,
